

CV Kirsi Isoherranen

Council member:

MD, PhD

Current Position:

Specialist in Dermatology, HUS Helsinki Wound Healing Centre
EWMA Council member since 2016, member of the Scientific and Education Committees

Date of Birth: 7.6. 1972

Education and/or academic degrees:

MD, University of Turku, 1997

PhD, University of Turku, 1998

Specialist in Dermatology and Allergology 2010, University of Helsinki

Special Competence in Wound Management 2015, Finnish Medical Association

Previous positions:

1993 Research assistant, Laboratory of Biotechnology, University of Turku

1994-1997 Research assistant, Department of Dermatology, University of Turku

1997 General Practician, Pötyä Health Centre

1998 Researcher, Department of Dermatology, University of Turku

1998 Assistant doctor, Department of Internal Medicine, Vakka-Suomi Hospital

1998 Assistant doctor, Department of Dermatology, Turku University Central Hospital

1999 Assistant doctor, Skin and Allergy Hospital, Helsinki

2000 General Practician, Espoonlahti Health Centre

2001 Assistant Doctor, Rheumatism Foundation Hospital

2001-2002 Principal Investigator, University of Tampere

2003-2010 Resident in dermatology, Skin and Allergy Hospital, Helsinki

2011 -> Specialist in dermatology, Helsinki University Central Hospital, Skin and Allergy Hospital

Experience of clinical studies:

2001-2002 Principal Investigator in Espoo, rotavirus and influenza virus vaccine studies (University of Tampere). During that period many courses concerning GCP.

2011-2012 Investigator in studying the effect of cis-urocanic acid in atopic eczema, multi-centre phase II study, Biocis Pharma

Membership of learned societies/associations:

Finnish Wound Management Association

Finnish Medical Association

EADV

Finnish Dermatological Society
