

Jos M.G.A. Schols

Prof. Jos M.G.A. Schols, MD, PhD

Professor of Old Age Medicine

Department of Family Medicine and Department of Health Services Research Caphri - School for Public Health and Primary Care Maastricht University Maastricht The Netherlands

The main research interests are:

1. The epidemiology and in depth background of main medical and care problems in chronic care (wounds, malnutrition, falls etc.) and developing as well as researching EB nursing and medical interventions for these care problems;
2. Rehabilitation in chronic care (related to post stroke as well as geriatric patients); 3. Transformation of chronic care (incl. innovative care models and care services, chain supply of care, new models of medical care etc.).
