

TIME	Room N101/N102	Room N103/N104	Room N105/N106	Room N107/N108	Room N109/N110	Room N111/N112	Room N113	Room N114	Sala Retiro
TUESDAY 13 MAY									
17:00-20:00	Registration, badge and bag collection								
18:30-20:00	GNEAUPP 20th Anniversary Reception								
WEDNESDAY 14 MAY									
	Room N103/N104								
	09:15-10:00 Opening Ceremony								
	10:00-11:30 Plenary session: Innovation, Know-How, and Technology								
11:30-15:30	Lunch and exhibition								
12:00-13:45	Paper Poster Sessions: Acute Wounds, Antimicrobials, Burns, Devices & Intervention, Dressings, Education, Home Care, Infection, Leg Ulcer, Negative Pressure Wound Therapy, Pressure Ulcer								
12:00-13:45	E-poster Sessions: Leg Ulcer, Basic Science and Pain, Dressing I								
12:00-13:45	E-poster Sessions: Health Economics & Outcome, Antimicrobials, Basic Science, Burns, Diabetic Foot, e-Health, Infection, Nutrition, Home Care								
12:30-13:30	Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium				11:45-13:15: Introduction to wound management for undergraduate students		13:00-14:15: VWHA/EWMA Symposium on Veterinary Wound Management and Antimicrobial Resistance: Animal Wound Care – Best Practice and new knowledge	
13:45-15:00	Free Paper Session: Diabetic Foot I		Free Paper Session: Miscellaneous I	Sociedad Ibero-Latino Americana sobre Ulceras y Heridas (SILAUHE) Guest Session (International Partner Organisation Session): Chronic wounds in the Health Systems of Latin America: Differences and similarities	Free Paper Session: Pressure Ulcers	Workshop: Meet the Experts: Everything You Want to Know about Maggot Therapy		Free Paper Session: Dressings	Free Paper Session: Quality of Life
15:00-15:30	Coffee break								
15:00-15:30	Paper Poster Sessions: Acute Wounds, Burns, Infection, Antimicrobials, Diabetic Foot								
15:00-15:30	E-poster Sessions: Antimicrobials I, Education, e-Health, Nutrition								
15:00-15:30	E-poster Sessions: Acute Wounds, Leg Ulcer								
15:30-16:30	Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium		Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium		15:30-17:00: VWHA/EWMA Symposium on Veterinary Wound Management and Antimicrobial Resistance: A One Health Approach to Antimicrobial Use & Resistance	
16:45-18:00	Key Session: From Clinical Evidence to Real World in Wound Healing	Key Session: Patient Perspectives	Key Session: Vascular Wounds: Ulcers with Venous Origins	Workshop: Wound Care without Attention for Nutrition is Incomplete Wound Care; Focus on PUs!	Workshop: Understanding the Science Behind Pressure Redistribution Devices – Bridging the Theory-Practice Gap	Workshop: Expert Reports on Lawsuits for Pressure Ulcers		World Alliance for Wound and Lymphedema Care (WAWLC) Guest Session: Defining a standard wound kit for limited resource settings	Korean Wound Management Society (KWMS) Guest Session: Wound management in Korea
18:10-19:10									

TIME	Room N101/N102	Room N103	Room N104	Room N105/N106	Room N107/N108	Room N109/N110	Room N111/N112	Room N113	Room N114	Sala Retiro	
THURSDAY 15 MAY											
08:00-09:30	Diabetic Foot Day: IWGDF Session: New Challenges	Free Paper Session: Negative Pressure Wound Therapy	Free Paper Session: Infection	Free Paper Session: Pressure Ulcers	Workshop: Advanced Wound Care in Paediatric Patients		Free Paper Session: Devices & Interventions	Workshop: Innovation with and for User Value Creation – Trends in Healthcare with Collaboration, Empowerment and Technological Development	Ph.D. Group Session – open dialog meeting J. J. Soldevilla Agreda J. Verdú Soriano	Workshop: Biofilms Limited number of seats	Workshop: Debridement Limited number of seats
09:30-10:00	Coffee break										
09:30-10:00	Paper Poster Sessions: Quality of life, Health Economics & Outcome, Home Care, Devices & Intervention, e-Health, Education										
09:30-10:00	E-poster Sessions: Health Economics & Outcome, Devices & Intervention I, Antimicrobials II, Infection										
09:30-10:00	E-poster Sessions: Devices & Intervention, Education										
10:00-11:00	Diabetic Foot Day: Status on overall implementation of Diabetic Foot Guidelines in Spain	Free Paper Session: Leg Ulcer I	Free Paper Session: Miscellaneous II	Free Paper Session: Pressure Ulcer Prevention	Free Paper Session: Burns		Free Paper Session: Education & Miscellaneous	10:00-11:30: Workshop: RUT (Registry of Ulcer Treatment) – How to reduce healing time by 60% in a period of 3 years	Workshop: EWMA Cooperating Organisations	Free Paper Session: Miscellaneous IV	
11:15-12:15	Diabetic Foot Day: Diabetic Foot Infections and its impact on limb amputation	Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium								
12:15-15:40	Lunch and exhibition										
12:45-14:15	Paper Poster Sessions: Dressings, Leg Ulcer										
12:45-14:15	E-poster Sessions: Diabetic Foot, Negative Pressure Wound Therapy, Dressings II, Pressure Ulcer, Prevention, Wound Assessment										
12:45-14:15	E-poster Sessions: Pressure Ulcer, Prevention, Pain										
13:15-14:15	Diabetic Foot Day: International Perspectives	Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium								
14:30-15:10	Honorary lecture										
15:10-15:40	Coffee break										
15:10-15:40	Paper Poster Sessions: Pressure Ulcer, Prevention, Negative Pressure Wound Therapy, Pain, Wound Assessment, Basic Science										
15:10-15:40	E-poster Sessions: Quality of life, Devices & Intervention II										
15:10-15:40	E-poster Sessions: Quality of Life, Wound Assessment										
15:40-16:40		Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium	Industry Sponsored Satellite Symposium		EWMA Teacher Network Free Paper Session		
16:55-17:55	Key Session: Challenges Associated with Saving the Infected Diabetic Foot	Key Session: A Broad Perspective on Infection: The Magnitude of Today's Problem	Key Session: Managing Wounds as a Team – Interdisciplinary Perspectives on Wound Management	Dystrophic Epidermolysis Bullosa Research Association (DEBRA) Guest Session: Epidermolysis Bullosa: Clinical and family expertise – the best of both worlds	Workshop: How to Optimise the Performance of Postural Changes	Workshop: Pain Management and Pain Relief in Wound Care	Workshop: Russian Workshop I: Debridement Max: 30 participants	Workshop: Infection, Colonisation or Contamination? Is Early Diagnosis the Key?	The European Society for Clinical Nutrition and Metabolism (ESPEN) Guest Session: Obesity and wound management: The role of nutrition		
21:00-01:00	Conference Evening (not included in the registration fee).										

TIME	Room N101/N102	Room N103	Room N104	Room N105/N106	Room N107/N108	Room N109/N110	Room N111/N112	Room N113	Room N114	Sala Retiro
FRIDAY 16 MAY										
08:00-09:30	Key Session: Home Care Wound Care – What are the challenges, what can be done? A European Initiative by EWMA	Key Session: Oxygen and Hypoxia: New Aspects of a Central Problem	GNEAUPP Symposium	Key Session: Trauma Wounds: Modern Concepts to Improve Outcome	eHealth Symposium: eHealth in standard wound care: Trends and current practice	Workshop: Key Points for a Successful Outcome in Diabetic Foot Wounds	European Tissue Repair Society (ETRS) Guest Session: Inflammation and Regeneration	EWMA UCM Lecture		Workshop: Debridement Limited number of seats
09:30-10:15	Coffee break									
09:30-10:15	E-poster Sessions: Acute Wounds, Dressings II, Burns									
09:30-10:15	E-poster Sessions: Negative Pressure Wound Therapy, Dressings									
10:15-11:15	EWMA Education Session: Impact of Education	Free Paper Session: Leg Ulcer II	10:00-11:15: GNEAUPP Symposium	Free Paper Session: Miscellaneous III	Workshop: Information and Communication Technologies in Wound Care	Free Paper Session: Diabetic Foot II	Chinese Tissue Repair Society (CTRS) Guest Session: Wound management in China	Free Paper Session: Acute Wounds & Wound Assessment	Free Paper Session: Health Economics & Outcomes	
11:30-12:30	EPUAP-EWMA Joint Session: International Pressure Ulcer Prevention & Management Guideline	Free Paper Session: Leg Ulcer III	11:15-12:15: GNEAUPP Symposium	Workshop: Clinical Photography in Wounds Limited number of seats (max. 70)	eHealth Symposium: Adopting innovative technologies for wound care – what can we expect from the future?	Free Paper Session: Diabetic Foot III	Workshop: Russian Workshop II: Panel Discussion on Antibiotics versus Antimicrobials	Free Paper Session: Basic Science		Free Paper Session: Miscellaneous V
12:30-14:00	Lunch and exhibition									
13:30-15:00	Key Session: Innovation and Implementation of New Pressure Ulcer Knowledge	Key Session: Surgical Site Infection: Where Are We Today?	GNEAUPP Symposium	Key Session: eHealth Symposium: Moving from pilot projects to routine care: Overcoming the obstacles		Workshop: Ostomy, Fistulas, and Periwound Skin Complications				
15:10-16:00										
	Closing Ceremony and Prizes
